Re: Notice of Debarment

Dear Mr. Haganman:

By letter dated October 13, 2004, you were notified that the Defense Logistics Agency was proposing to debar you from Government procurement, nonprocurement and sales programs. That letter provided you with an opportunity to submit information and argument in opposition to the proposed debarment. To date, you have not responded.

Based upon the information in the administrative record, I have determined that protection of the Government's interests requires your immediate debarment from Government procurement, nonprocurement and sales programs. The debarment continues for three years from October 13, 2004, the date you were proposed for debarment from Government contracting. Your debarment terminates on October 12, 2007.

The October 13, 2004, Notice of Proposed Debarment states the effects of the debarment.

Sincerely,

M. SUSAN CHADICK
Special Assistant for
Contracting Integrity
